Storage	Similar to Braeburn
Shape	Conical

The Tree

Type	Medium vigour
Flowering	Early to mid season
Productivity	Heavy cropping

Comments

This variety is extensively planted in Europe and returns prices slightly below Pink Lady. Promoted in the USA and Europe as Corail and Pināta, and is also known as Sonata. An existing market make this variety a top prospect.

Waimea Variety Management will be developing the structure of the supply of fruit from New Zealand. Approximately 4000 trees will be planted in Winter 2006. It is likely that production will be licensed.

Under licence from DSG, Berlin.
